**Trafalgar Square  
26 July 1995**

**Souvenir Programme**

# Welcome to The Triumph of Art

You are at a free party to celebrate the 200th birthday of the National Gallery. It's the culmination of events from across the nations: Derry-Londonderry, Dundee, Llandudno and Plymouth. It's meant to be fun and not entirely serious. If you enjoy yourselves, you're welcome. If not, it's nothing to do with me. Jeremy Deller
